RE: CLE Credit for Mid-Year Conference

Via E-mail

As evidenced by the attached letter from the MCLE Office, State Bar of Texas, we obtained 6.0 hours of CLE Credit for the programs during the Mid-Year Conference described in the table below. Please post this information on the TWCA website so that TWCA attorney members who attended one or more of the sessions during conference can go on-line to the State Bar Website (www.texasbar.com), and update their MCLE records. The Course Number is 901204371. I am copying the Water Laws Committee Members on this memorandum.
