

VIEWING MEMBERSHIP STATUS & DUES INVOICES

All membership dues will be invoiced through the website. Invoices are tied to the bundle administrator's account. The bundle administrator will receive membership dues reminders until the dues are paid. You will always be able to check your membership status by logging onto the website. The membership level, status and renewal information are visible on the user's profile page after logging in. Invoices and payments due will show up as soon as you log in. You will also see a pop up in the bottom right hand corner.
