### Position Summary

The One Water Coordinator will advance the vision and work of the One Water New Braunfels Program, a multiagency program established by New Braunfels Utilities (NBU) in partnership with the city of New Braunfels and the Guadalupe-Blanco River Authority. The vision of [One Water New Braunfels](#) is to ensure water remains a celebrated and protected feature of this community by collaboratively managing water resources to safeguard watersheds, waterways and groundwater. Reporting to the Director of Customer Solutions, the One Water Coordinator will be instrumental in advancing the New Braunfels One Water Roadmap with the One Water Advisory Council and One Water Working Group, established working groups that include staff from the three participating agencies. The Coordinator will be responsible for overall program management, coordination across partners, and management of discrete projects included in the Roadmap, and will serve as primary point of contact for the Program with community stakeholders, government partners, business and community organizations, and media outlets.

NBU and partner agencies of One Water New Braunfels are looking for candidates with a minimum of three years' work experience with a background in water or natural resource management, urban planning, public policy, public administration or a related field. Compelling candidates will have a zest for water sustainability, excellent relationship building and communications skills, including proven proficiency in public speaking, strong project management skills, and demonstrated ability to serve diverse audiences and lead collaboratively.

Interested candidates can learn more about the position and NBU and submit an application at <https://www.nbutexas.com/career-and-apprenticeship-opportunities/>.
